The Smithville CommUNITY Coalition and the Catawba North Neighborhood Group are teaming up with the Cornelius Police Department to remove trash, junk, and debris from our neighborhoods. Not just an eyesore, accumulated refuse can be a health hazard, is dangerous for children, and often violates town ordinances. **Operation Curbside Cleanup** gives everyone an opportunity to dispose of problem debris **free of charge**. This year's event is bigger and better than ever, with added volunteers from area churches, F3 workout groups, and other community organizations!

GET IT TO THE CURB - WE'LL HAUL IT OFF!

That's right, drag your broken and unwanted items to the curb by 8:00am Saturday, April 18th and our team will haul them away for you. Acceptable items include: broken furniture and appliances, old lawn equipment, broken bicycles, scrap metal and most other bulk items that you simply need rid of. **If you are unable to move items yourself, volunteers will assist.** Please call 704-957-0762 or email nmayhew@email.cpcc.edu a few days ahead to make arrangements. **Please note, we cannot remove items from inside residences and we cannot accept hazardous materials such as kerosene, paints, solvents, gasoline, etc. - and please no limbs, brush, leaves or yard trimmings.**

For **questions** or to **volunteer**, please email nmayhew@email.cpcc.edu or call Sgt. Brinzey at 704-892-1363. Or visit us the morning of the event at our coordination point, Smithville Park. Now let's get ready to TAKE OUT THE TRASH!
